

2011 COOK FAMILY REUNION
JULY 8 and 9, 2010
Wailoa State Park
Hilo HI

The 2011 Cook Family Reunion Committee continues to make plans for our next reunion in 2011. We had to overcome a few obstacles, but we are now back on track!

Our largest challenge now is to get all family members informed and re-registered on our mailing list – one of our challenges was that my computer died a few months back. I reconstructed the mailing list from a backup I had, and double-checked it with the hard copy registrations I had from years past. However, the information is not up-to-date. PLEASE get the word out to all family members to have them contact us to ensure we have their information. We do not want to miss anyone!

E-MAIL NOTICES

If you are interested in receiving all future updates via e-mail, please send your name and email address to cookfamilyreunion@hotmail.com

FAMILY BLOG

Blaine has also set up a Blog site to post all information as well. <http://www.fergerstrom.org/>

FACEBOOK

New in 2010, I have also set up an account on FACEBOOK. Some family members have already linked to this account as a *friend*, so newly posted information will show up on their wall. The account is under Ann Fergerstrom, and the family crest (as pictured above) is what will be seen.

Please encourage ALL of your family members to either register on-line, or please give them a copy of the attached mail-in registration form, even if they may not be planning to attend....
